

Franchise Candidate Information Form

Dear Interested TGA Franchise Owner,

Thank you for your interest in a TGA franchise. We offer two separate franchise opportunities – TGA Premier Junior Golf and TGA Premier Youth Tennis. You have the option of investing in either golf, tennis or both. Please let us know which one(s) you're interested in so we can provide the appropriate information.

TGA's growth as an organization is predicated on our ability to develop successful franchises with great franchise owners. Our motivation is not to sell a franchise but rather to partner with passionate entrepreneurs who share our vision for enriching kids' lives through sustainable business models.

The following Information Form is designed to help you and TGA learn more about each other and get a better feel for whether you're a good fit for this franchise opportunity. Completing this Information Form does not bind you to anything and TGA will keep the information confidential. Please answer the questions to the best of your ability and incorporate both personal and professional experiences.

Upon approval of this form, TGA will provide our Uniform Franchise Disclosure Document (UFDD) in either a digital or hard copy format. Please let us know which is more convenient for you. If you have questions or need assistance at any time, please call TGA HQ at 310-333-0622 or email Steve Tanner, TGA's COO, at Steve@PlayTGA.com. Thank you again for your interest in TGA and we look forward to taking this exploratory journey with you.
